

**SERIES SC 10HP 15HP**

**ROTARY SCREW COMPRESSORS  
BY DEVAIR**

- › 100% Continuous duty operation
- › Rugged and reliable
- › High-efficiency rotary airends
- › Efficient separator system
- › Small footprint

**5 Year**  
Limited Airend Warranty

# SERIES **SC** 10HP 15HP

ROTARY SCREW COMPRESSORS BY DEVAIR

## "EASY ACCESS" CABINET DESIGN

AIR COMPRESSORS YOU KNOW YOU CAN TRUST

**STANDARD FEATURES**

- High-efficiency Enduro Plus® airends
- Belt drive to give maximum flexibility in pressure selection
- Single point belt-tensioning system
- Heavy-duty powder coated metal cabinet
- High quality North American “T Frame” industrial electric motors
- Easy to replace “spin-on” oil filter & separators
- SAE “O” rings and compression fittings
- High temperature shutdown
- Energy efficient operation
- 3 micron, water-resistant air filtration material
- Clean, reliable and highly visible control panel
- High-performance hoses with JIC style fittings
- High thermal capacity aluminum oil cooler with integrated air after-cooler
- Factory supplied with synthetic oil coolant
- PLC control for load/no-load and auto shut-off
- Easy access ASME air/oil receiver facilitates oil changes

**RUGGEDLY BUILT**

Heavy 14 gauge welded steel cabinets, are powder coated to withstand the wear and tear of industrial environments for many years. Sound attenuating foam barriers with oil resistant coating reduce noise levels.

**CLEAN DESIGN**

The vertical design not only gives these compressors a small footprint to use less floor space, but allows more interior room to give easy access to components. Three removable panels give full height access to the interior of the compressor. This approach results in quick fluid changes and shorter downtime related to maintenance.

**RELIABLE**

Designed and built by DeVair in Ontario, Canada, using components from internationally renowned suppliers ensuring that your compressor will deliver for you year after year. Features such as “JIC” style hydraulic fittings, reverse rotation sensors all support our “no-nonsense” warranty. Air/oil receivers are ASME approved, and the entire assembly has the Entela seal of approval. Our team of designers and builders is readily available should you require assistance.

**LONG LIFE EXPECTANCY AIR ENDS**

Powerful oil bathed air ends have no metal to metal contact and are designed to offer the longest trouble-free performance when serviced according to our recommendations.

**THE SC COMPRESSOR PACKAGES WITH AIR DRYER AND AIR RECEIVER** are the perfect solution in applications where reliable, condensate-free compressed air is required.

**SERIES SC 10HP 15HP**  
**ROTARY SCREW COMPRESSOR BY DEVAIR**

Model	HP	Pressure (psi)	S.C.F.M.		Dimensions (inches)			Weight (lbs)
			100psi	145psi	Height	Width	Depth	
SC10	10	120 - 145	42	39	49.5	24	35	500
SC15	15	120 - 145	61	57	49.5	24	35	500

**USE ONLY ORIGINAL DEVAIR SERVICE PARTS**

**INDUSTRIAL ROTARY SCREW COMPRESSOR PACKAGES**

Each Package includes:  
 air compressor,  
 air receiver,  
 dryer,  
 5 micron air filter and  
 1 micron air filter.  
 Filter canisters are included.

Model	cfm	Tank (gal)	Tank P.N.	Dryer	Filter/Sep 5m	Filter/Sep 1m
SC10PK	39	120	TA473-1	ASD40	SAF-S-64	SAF-A-64
SC15PK	57	120	TA-473-1	ASD60	SAF-S-64	SAF-A-64
